

## How to get to Priorclave:

### Our address:

129-131 Nathan Way  
West Thamesmead Business Park  
London **SE28 0AB**

Tel: 020 8316 6620

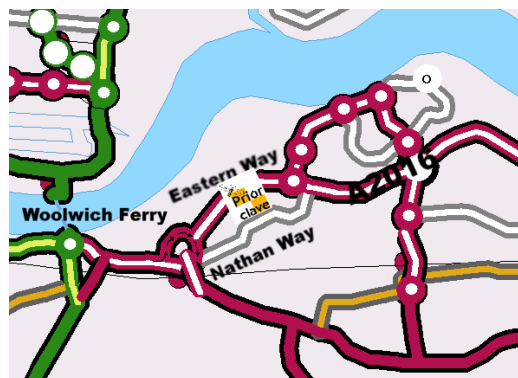

Fax: 020 8855 0616

### From London:

#### By Public Transport:

Trains run from Charing Cross/Cannon Street/Waterloo East/London Bridge to Plumstead or Woolwich Arsenal Stations at regular intervals. Also the DLR runs to Greenwich and to Woolwich Arsenal with connections to Plumstead Station. The closest station to us is Plumstead but trains stop more frequently at Woolwich Arsenal. From Plumstead station it is about a mile walk to our Factory. Alternatively, the 472 bus runs from Greenwich via Woolwich and Plumstead along Nathan Way, A better solution for business visitors is to give us a call on arrival at either Woolwich or Plumstead Station and someone can come out to collect you.

#### By Car:

Head towards the Woolwich Ferry Crossing roundabout on the South Circular Road. At the roundabout take the A206 signposted towards Woolwich/ Thamesmead/ Plumstead/ Dartford. Keep going along this road for about 2 miles until 'Firepower' is on your left and the Plumstead Bus garage is ahead of you. Follow the flow of traffic round to your left and keep in the middle of the three lanes. The road makes a loop around the Bus garage with a turn off to the left towards Thamesmead and Belmarsh courts and prison. At the next lights follow the loop round to the right towards Plumstead. Keep to the left-hand lane as the entrance to Nathan way is about 400M along this road opposite the retail park buildings. Priorclave is about a mile along the road on your left.

### From the M25

#### By Car:

If approaching from the North of the Dartford Crossing take the first exit immediately after the tollbooths. If coming from the south take the turnoff just before the toll booths. The road is the A206 to Erith.

Keep following this road across several roundabouts and traffic lights for about 8 miles to Erith where it becomes the A2016 signposted to Thamesmead.

Stay on the A2016 across 2 roundabouts following the signs for West Thamesmead. There is now a long (2-3 mile) uneven stretch of dual carriageway. After passing under a flyover, which is the turnoff to Thamesmead and Abbey Wood, watch out for a sharp left turn into Nathan Way before the next roundabout. There is a PO sorting office on the corner, and it is sign-posted West Thamesmead Business Park. If you miss the turning go back around the next roundabout and you can turn into Nathan way on your right.

Our Works are on the right hand side, exactly 0.5 miles along Nathan Way.
